

Conscious Life

Knowledge about life and death.
What is our karma; the consequences,
the reactions .

Important Reasons for Life

Emotional knowledge....
Experience all Senses as the Way to
Freedom... How the Group
Consciousness should be
understood

Human & Sacred Values

Our life is full of symbols which we
should take in on both spiritual and
worldly levels as well as conscious and
subconscious. We should understand
their different effects...

The Secret Codex:

Psychoacoustic & Sound

Symbolism

Our spaces around us are psychically ac-
tive. They open and close mind and body
using Universal Laws. The deepest Phi-
losophy should be consciously put to-
gether ...

- **Member of:** - Institute of Noetic Science - Internat. Soc. for Energy Medicine. - Internat. Congress about Medical Development.

- **Astrology** using a method derived from Alice Bailey + scientific methods over the last 25 Years' experience.

What we offer....

Sound message....

Relax through personally composed, harmonizing music to release those stressful blockages. 60 minutes

Astrology...

as help to find your creative potential und emotional coordinated understanding. The Sacred geometrical Laws, which work through the effect of space and its use around us. This will help us to this goal.

Creative Management...

It is about our free spaces, both spiritual and physical which influence our lives to open and close our lives. With the 12 values and their spiritual understanding we should break out of our possible narrow possibilities Once a week for a whole Semester (term).

Sacred Geometry + Universal Values

Sacred Places and their values on the psyche. Through hearing and seeing we can directly experience the old Secrets, instead of searching for the Holy Grail in the rest of Europe. We shall experience, using several of the sacred places around here. There are also the Köln churches further way or we can experiment with sound on the "Museuminsel" Hombrioch, Neuss or in nature the Rur-Eifel or in Schloss Türnich, Kerpen. About 4 hours for each part

Meditation + Mind and Understanding ..

It is important to come quiet, but the result of understanding requires a balancing act with our creativity and personal shocks and questions. It is personal but also fixed by a universal trick threaded through our lives, coming from a Universal Codex found in most traditions. 2 hours, once a week, 10 sessions...

Horizons, Spaces and Sound

Relax from the exertion of special movement, and sounds.

Accompanied by music and sounds... 60+ Minutes

Once a week, 10 sessions as a course.
